CASE NO. 4:25-cv-02665-JST

**PLAINTIFF'S UNOPPOSED  
 1 ADMINISTRATIVE MOTION UNDER  
 2 L.R. 7-11 TO RESET THE INITIAL CASE  
 3 MANAGEMENT CONFERENCE AND  
 4 RELATED DEADLINES**

5 Location: Courtroom 6, 2nd Floor  
 6 Judge: Hon. Jon S. Tigar.

1 Plaintiff Semisilicon Technology Corp. ("Semisilicon") respectfully files this Administrative  
2 Motion Under L.R. 7-11 to Reset the Initial Case Management Conference, which is currently  
3 scheduled for July 1, 2025. Counsel for Defendant Amazon.com, Inc. has indicated that Amazon will  
4 not oppose the motion. No counsel has yet entered an appearance for any of the foreign defendants.

5 On March 19, 2025, Semisilicon filed this patent infringement case. Dkt. No. 1. On April 4,  
6 2025, the case was reassigned and the case management conference was set for July 1, 2025. Dkt. Nos.  
7 8, 9. Semisilicon sent a notice letter and a request for waiver of service to each of the defendants in  
8 April pursuant to Fed. R. Civ. P. 4(d). Counsel for Amazon returned the waiver of service of summons  
9 form, which was filed with the Court. Dkt. No. 10. The other five defendants, each of whom reside in  
10 China, have not yet returned their waiver of service of summons, and their deadline to answer would  
11 be July 8, 2025, if they waive service.

12 Because none of the five foreign defendants have waived service or answered the complaint,  
13 Semisilicon respectfully requests that the Court reset the initial Case Management Conference and  
14 related deadlines for later dates or until all the defendants have answered the complaint.
